

“ Our communication is more effective. Everyone knows about everyone else and this is in many ways down to the intranet. ”

PHILIPPA RICHARDSON, COMMUNICATIONS MANAGER, VIRGIN TRAINS

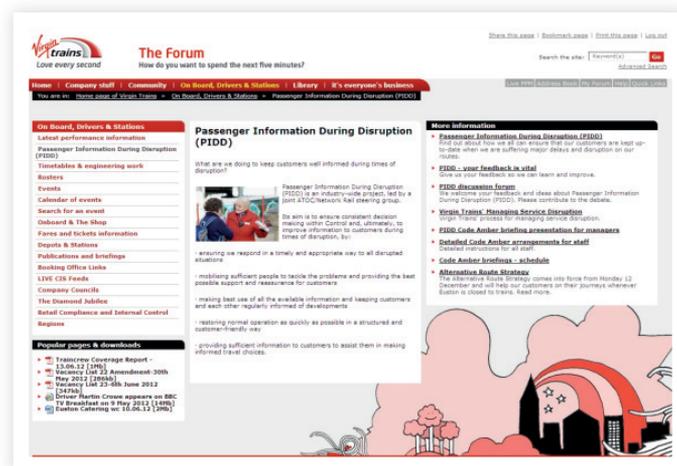

# IMPROVE STAFF PRODUCTIVITY

A well-designed intranet can bring enormous benefits to your organisation, such as improved internal communications and business processes, easier collaboration, lower costs, and enhanced customer service – creating a better online experience for your users.

Whether you're looking to foster a culture of two-way internal communications, allow easy, secure information-sharing, or simply increase the effectiveness of your organisation, a well-designed intranet can maximise productivity and boost efficiency.

## Top benefits

- ▶ Improve internal communications
- ▶ Simplify collaboration
- ▶ Deliver better customer service
- ▶ Speed up processes
- ▶ Reduce print costs
- ▶ Build communities

# Introducing GOSS Intranets

The GOSS Intranets solution is a set of out-of-the-box tools that integrate with GOSS iCM to create an effective, easy-to-use and user-focused intranet. You benefit from many great features, including:

- ▶ Template-driven design for rapid deployment and easy creation of new content
- ▶ Integration with back-end systems for the search and presentation of company information
- ▶ Online forms to submit holiday requests and other HR activity
- ▶ Personalisation tools to tailor pages to individual users' needs

## Key Features

GOSS Intranets offer an extensive range of features to facilitate internal communications and collaboration, including:

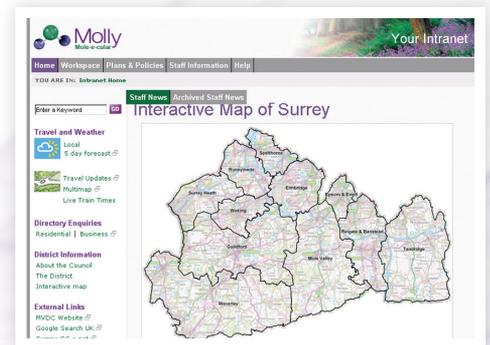

- ▶ Address book synchronisation
- ▶ HR and other forms processing
- ▶ Event diaries
- ▶ Staff polls
- ▶ Ratings, review and feedback functionality
- ▶ Forums and other social collaboration tools
- ▶ Problem reporting
- ▶ Personalised homepages
- ▶ Support for user-generated content

## Why GOSS Interactive?

Leading edge web technology from GOSS Interactive powers some of the UK's leading websites, including the Met Office, Brittany Ferries, BBC, Berkeley Group, Virgin Trains and over 70 public sector organisations. Built around the multi-award-winning GOSS iCM content management system, our customer experience management tools and consultancy empower you to deliver web strategies that provide enhanced revenues and superior customer service.

“ We have completely changed the way in which staff access information. The intranet is a really personable place and 87% of staff are happy with the way they receive information through it. ”

**LOUISE BIRCHER, CUSTOMER SERVICE AND COMMUNICATIONS MANAGER, MOLE VALLEY DISTRICT COUNCIL**
